

Governors' Statement of Behaviour Principles

Good behaviour is promoted in Lythe CEVC School through the development of an inclusive, caring ethos and environment within the context of Christian belief and practice, together with high quality teaching and learning, and procedures which:

- encourage children to treat everyone and everything with respect and kindness,
- encourage children to stop and think before they act, to be accountable for their own behaviour and to understand the impact of their behaviour on others,
- ensure consistency, fairness and clear expectations for all,
- ensure that children are listened to and encouraged to listen to each other,
- encourage a strong partnership between school and home through effective communication with parents and carers and their early involvement whenever needed,
- ensure that all members of our school community show respect towards each other and base their actions on the principle of "treat others the way you would like to be treated." (Luke 6:31). This is made explicit through our Golden Rules: be kind, be safe, be respectful.

Some of these general principles are evident and referred to in our values of :

kindness,
friendship,
thankfulness,
belonging,
trust,
service,
peace,
togetherness,
wisdom,
creativity,
forgiveness,
justice and fairness

and these aim to make Lythe School:

A peaceful place to...learn, pray, care, laugh, talk, think, play and grow together.
